## SPECIALTY CENTERS

Board-certified physicians.  
State-of-the-art technology.  
Real personalized care.

Reflecting an 85-year-old tradition of excellence, Major Health Partners (MHP) offers a full spectrum of outstanding medical services to southeast Indiana. Centered at Major Hospital, a full-service acute care facility, MHP addresses regional healthcare needs with a deliberate emphasis on personalized care. Our goal? One-on-one professional attention to individual needs.

Top-grade medical professionals and services in Shelby County means this: fast, convenient, high-quality service without physician referrals to out-of-the-way urban hospitals. Major Health Partners – top service, top quality.
