## Need after-hours treatment? Can't wait?

**Major Priority Care offers professional high-quality healthcare services for common non-emergency illnesses and injuries.**

### Personal Attention, Expert Care

Twist your ankle while shopping on a Saturday?  
Come home from work to a child with a bad cough?  
Need a physical to go back to work?

When the need for immediate healthcare comes at an inconvenient time, Major Priority Care offers quick and professional health care services. To serve non-emergency needs, Major Health Partners offers quick and professional healthcare services at Major Priority Care. Clinically directed by Angie Green, NP in collaboration with Chris Loman, MD, Major Priority Care has a dedicated team of board-certified physicians and board-certified family nurse practitioners. Also, Major Priority Care accepts patients on a walk-in, no-appointment basis.

### Treatments & Services

Coming down with a sore throat and have a big meeting tomorrow? Wondering whether that sprained wrist is actually broken? Need a sports physical to play basketball?

Convenient treatment is now available at Major Priority Care, located in Shelbyville's Rampart Building near I-74 and State Road 9.

People with serious injuries or potentially life-threatening situations (such as severe chest pain) should always call 911 when appropriate or go to an Emergency Room.

### Convenient Insurance & Payment Options

As an affiliate of Major Health Partners, we're pleased to provide quality services with numerous payment options. Major Priority Care bills most insurance programs and Medicare for services. Convenient payment options are also available through MasterCard/VISA credit cards, check, or cash.

### Professional Occupational Care

Have an employee who needs clearance to go back to work? Federal contracts require drug screening? Need options for follow-up care for workers comp? Have an employee injured on the job?

Major Priority Care offers a broad spectrum of specific healthcare services designed for small businesses and large corporations alike. If you're a HR professional looking for a fast, cost-effective solution to employee healthcare issues, call the professionals at Priority Care.

### Services for Children & Teenagers

Major Priority Care provides routine non-emergency healthcare services for children and teenagers of all ages.
